

Our Knowledge Is Your Edge

Do you want to give your new business a competitive advantage? The South Metro Denver SBDC offers an innovative program designed to give your business an edge in today's marketplace.

Participants in Success Tracks increase the opportunity for small business success and reduce the chances of small business failure through access to resources, experts, mentors, education, visibility and recognition.

Success Tracks includes:

- 20 hours of coursework and consultations conducted by successful business professionals covering every discipline in business
- A small business certificate
- Graduation and recognition program
- Marketing opportunities on the SBDC Web site
- PR opportunities through recognition in the SBDC eNewsletter and local newspapers
- First-year membership in the SBDC Success Tracks Alumni Network

With Success Tracks you can earn a Small Business Certificate in 3 to 6 months. Certificates are recognized and acknowledged by vendors and service providers because it indicates your level of commitment and accomplishment in business.

The program - a combination of seminars, consultations, mentoring, PR and visibility - is a great value as most seminars are free or have only a minimal charge. Contact us today to learn how you can be part of Success Tracks and help your business gain the edge. E-mail info@smallbusinessdenver.com or call 303-548-5300

The South Metro Denver Small Business Development Center provides education and free consulting to small and medium sized businesses in Arapahoe and Douglas counties. It is partially funded by the U.S. Small Business Administration and the State of Colorado. The SBDC is hosted by the South Metro Denver Chamber of Commerce. SBA's funding is not an endorsement of any products, opinions, or services. All SBA-funded programs are extended to the public on a non-discriminatory basis. The facility is handicapped accessible. Support from the following corporate sponsors make this local program possible.
